A deduction from adjusted gross event wagering receipts equal to the value of free bets or promotional credits redeemed by authorized participants may be taken as provided in this paragraph. The deduction under this paragraph for free bets or promotional credits is limited to the first five years following the effective date of this section as follows:

(b) For year three, a deduction not to exceed fifteen percent of an event wagering operator's gross wagering receipts.

(c) For years four and five, a deduction not to exceed ten percent of an event wagering operator's gross wagering receipts.

(d) For year six and each year thereafter, a deduction of free bets is not allowed. January 1 following the year in which the event wagering operator begins event wagering operations is considered the first year of event wagering for the purposes of this paragraph. An event wagering operator may deduct up to twenty percent of an event wagering operator's gross wagering receipts during any period that the operator conducts event wagering before January 1 of the first year of event wagering operations.
